6 2 screening requirements as described in s. 1012.32.  
7 Contractual personnel shall include any vendor, individual, or  
8 entity under contract with a school or the school board.

9           Section 7. Section 1012.467, Florida Statutes, is  
10 created to read:

11           1012.467 Noninstructional contractors who are  
12 permitted access to school grounds when students are present;  
13 background screening requirements.--

14           (1) As used in this section, the term:

15           (a) "Noninstructional contractor" means any vendor,  
16 individual, or entity under contract with a school or with the  
17 school board who receives remuneration for services performed  
18 for the school district or a school, but who is not otherwise  
19 considered an employee of the school district. The term also  
20 includes any employee of a contractor who performs services  
21 for the school district or school under the contract and any  
22 subcontractor and its employees.

23           (b) "Convicted" has the same meaning as in s.  
24 943.0435.

25           (c) "School grounds" means the buildings and grounds  
26 of any public prekindergarten, kindergarten, elementary  
27 school, middle school, junior high school, high school, or  
28 secondary school, or any combination of grades prekindergarten  
29 through grade 12, together with the school district land on  
30 which the buildings are located. The term does not include:

31

1           1. Any other facility or location where school classes  
2 or activities may be located or take place;

3           2. The buildings and grounds of any public  
4 prekindergarten, kindergarten, elementary school, middle  
5 school, junior high school, high school, or secondary school,  
6 or any combination of grades prekindergarten through grade 12,  
7 or contiguous school district land, during any time period in  
8 which students are not permitted access; or

9           3. Any building described in this paragraph during any  
10 period in which it is used solely as a career or technical  
11 center under part IV of chapter 1004 for postsecondary or  
12 adult education.

13           (2)(a) A fingerprint-based criminal history check  
14 shall be performed on each noninstructional contractor who is  
15 permitted access to school grounds when students are present,  
16 whose performance of the contract with the school or school  
17 board is not anticipated to result in direct contact with  
18 students, and for whom any unanticipated contact would be  
19 infrequent and incidental. Criminal history checks shall be  
20 performed at least once every 5 years. For the initial  
21 criminal history check, each noninstructional contractor who  
22 is subject to the criminal history check shall file with the  
23 Department of Law Enforcement a complete set of fingerprints  
24 taken by an authorized law enforcement agency or an employee  
25 of a school district, a public school, or a private company  
26 who is trained to take fingerprints. The fingerprints shall be  
27 electronically submitted for state processing to the  
28 Department of Law Enforcement, which shall in turn submit the  
29 fingerprints to the Federal Bureau of Investigation for  
30 national processing. The results of each criminal history  
31 check shall be reported to the school district in which the

1 individual is seeking access and entered into the shared  
2 system described in subsection (7). The school district shall  
3 screen the results using the disqualifying offenses in  
4 paragraph (g). The cost of the criminal history check may be  
5 borne by the district school board, the school, or the  
6 contractor. A fee that is charged by a district school board  
7 for such checks may not exceed 30 percent of the total amount  
8 charged by the Department of Law Enforcement and the Federal  
9 Bureau of Investigation.

10 (b) As authorized by law, the Department of Law  
11 Enforcement shall retain the fingerprints submitted by the  
12 school districts pursuant to this subsection to the Department  
13 of Law Enforcement for a criminal history background screening  
14 in a manner provided by rule and enter the fingerprints in the  
15 statewide automated fingerprint identification system  
16 authorized by s. 943.05(2)(b). The fingerprints shall  
17 thereafter be available for all purposes and uses authorized  
18 for arrest fingerprint cards entered into the statewide  
19 automated fingerprint identification system under s. 943.051.

20 (c) As authorized by law, the Department of Law  
21 Enforcement shall search all arrest fingerprint cards received  
22 under s. 943.051 against the fingerprints retained in the  
23 statewide automated fingerprint identification system under  
24 paragraph (b).

25 (d) School districts may participate in the search  
26 process described in this subsection by paying an annual fee  
27 to the Department of Law Enforcement.

28 (e) A fingerprint retained pursuant to this subsection  
29 shall be purged from the automated fingerprint identification  
30 system 5 years following the date the fingerprint was  
31 initially submitted. The Department of Law Enforcement shall

1 set the amount of the annual fee to be imposed upon each  
2 participating agency for performing these searches and  
3 establishing the procedures for retaining fingerprints and  
4 disseminating search results. The fee may be borne as provided  
5 by law. Fees may be waived or reduced by the executive  
6 director of the Department of Law Enforcement for good cause  
7 shown.

8 (f) A noninstructional contractor who is subject to a  
9 criminal history check under this section shall inform a  
10 school district that he or she has completed a criminal  
11 history check in another school district within the last 5  
12 years. The school district shall verify the results of the  
13 contractor's criminal history check using the shared system  
14 described in subsection (7). The school district may not  
15 charge the contractor a fee for verifying the results of his  
16 or her criminal history check.

17 (g) A noninstructional contractor for whom a criminal  
18 history check is required under this section may not have been  
19 convicted of any of the following offenses designated in the  
20 Florida Statutes, any similar offense in another jurisdiction,  
21 or any similar offense committed in this state which has been  
22 redesignated from a former provision of the Florida Statutes  
23 to one of the following offenses:

24 1. Any offense listed in s. 943.0435(1)(a)1., relating  
25 to the registration of an individual as a sexual offender.

26 2. Section 393.135, relating to sexual misconduct with  
27 certain developmentally disabled clients and the reporting of  
28 such sexual misconduct.

29 3. Section 394.4593, relating to sexual misconduct  
30 with certain mental health patients and the reporting of such  
31 sexual misconduct.

- 1       4. Section 775.30, relating to terrorism.
- 2       5. Section 782.04, relating to murder.
- 3       6. Section 787.01, relating to kidnapping.
- 4       7. Any offense under chapter 800, relating to lewdness  
5 and indecent exposure.
- 6       8. Section 826.04, relating to incest.
- 7       9. Section 827.03, relating to child abuse, aggravated  
8 child abuse, or neglect of a child.
- 9       (3) If it is found that a noninstructional contractor  
10 has been convicted of any of the offenses listed in paragraph  
11 (2)(g), the individual shall be immediately suspended from  
12 having access to school grounds and shall remain suspended  
13 unless and until the conviction is set aside in any  
14 postconviction proceeding.
- 15       (4) A noninstructional contractor who has been  
16 convicted of any of the offenses listed in paragraph (2)(g)  
17 may not be permitted on school grounds when students are  
18 present unless the contractor has received a full pardon or  
19 has had his or her civil rights restored. A noninstructional  
20 contractor who is present on school grounds in violation of  
21 this subsection commits a felony of the third degree,  
22 punishable as provided in s. 775.082 or s. 775.083.
- 23       (5) If a school district has reasonable cause to  
24 believe that grounds exist for the denial of a contractor's  
25 access to school grounds when students are present, it shall  
26 notify the contractor in writing, stating the specific record  
27 that indicates noncompliance with the standards set forth in  
28 this section. It is the responsibility of the affected  
29 contractor to contest his or her denial. The only basis for  
30 contesting the denial is proof of mistaken identity or that an  
31

1 offense from another jurisdiction is not disqualifying under  
2 paragraph (2)(g).

3 (6) Each contractor who is subject to the requirements  
4 of this section shall agree to inform his or her employer or  
5 the party to whom he or she is under contract and the school  
6 district within 48 hours if he or she is arrested for any of  
7 the disqualifying offenses in paragraph (2)(g). A contractor  
8 who willfully fails to comply with this subsection commits a  
9 felony of the third degree, punishable as provided in s.  
10 775.082 or s. 775.083. If the employer of a contractor or the  
11 party to whom the contractor is under contract knows the  
12 contractor has been arrested for any of the disqualifying  
13 offenses in paragraph (2)(g) and authorizes the contractor to  
14 be present on school grounds when students are present, such  
15 employer or such party commits a felony of the third degree,  
16 punishable as provided in s. 775.082 or s. 775.083.

17 (7)(a) The Department of Law Enforcement shall  
18 implement a system that allows for the results of a criminal  
19 history check provided to a school district to be shared with  
20 other school districts through a secure Internet website or  
21 other secure electronic means. The Department of Law  
22 Enforcement may adopt rules under ss. 120.536(1) and 120.54 to  
23 implement this paragraph.

24 (b) An employee of a school district, a charter  
25 school, a lab school, a charter lab school, or the Florida  
26 School for the Deaf and the Blind who requests or shares  
27 criminal history information under this section is immune from  
28 civil or criminal liability for any good-faith conduct that  
29 occurs during the performance of and within the scope of  
30 responsibilities related to the record check.

31

1           Section 8. Section 1012.468, Florida Statutes, is  
2 created to read:

5           (1) As used in this section, the term  
6 "noninstructional contractor" means any vendor, individual, or  
7 entity under contract with a school or with the school board  
8 who receives remuneration for services performed for the  
9 school district or a school, but who is not otherwise  
10 considered an employee of the school district. The term also  
11 includes any employee of a contractor who performs services  
12 for the school district or school under the contract and any  
13 subcontractor and its employees.

14           (2) A district school board shall exempt from the  
15 screening requirements set forth in ss. 1012.465 and 1012.467  
16 the following noninstructional contractors:

17           (a)1. Noninstructional contractors who are under the  
18 direct supervision of a school district employee or contractor  
19 who has had a criminal history check and meets the screening  
20 requirements under s. 1012.32, s. 1012.465, s. 1012.467, or s.  
21 1012.56. For purposes of this paragraph, the term "direct  
22 supervision" means that a school district employee or  
23 contractor is physically present with a noninstructional  
24 contractor when the contractor has access to a student and the  
25 access remains in the school district employee's or the  
26 contractor's line of sight.
